THE BEST START to your university degree
Pathways to university study

Oxford Brookes International has been welcoming students from around the world for over 25 years. We offer a range of high quality academic and English language courses to prepare you for successful university study.

UNIVERSITY ENGLISH (PRE-SESSIONAL)

Our pre-sessional English course will improve your English language skills for university study. It will cover academic reading, writing, listening and speaking, and also study and research skills. University English can be taken as an independent study programme or prior to a foundation, pre-master’s, undergraduate or postgraduate course. We have flexible learning options depending on your current English language skills and offer a number of start dates. Our 12-week course begins in September, January and June. We also offer a 6-week course starting in July.

Our courses provide authentic classroom materials and support from highly experienced academic staff. This course will prepare you for studying in the UK and it will enable you to become familiar with university facilities and teaching methods.

After successful completion of this course, you will progress directly onto your chosen study path. There is no requirement to take an external English language test.

Start dates: September, January and June. Minimum English language requirements: From IELTS 4.5, with 4.0 in all skills or equivalent.

ACADEMIC ENTRY REQUIREMENTS

Start dates: September, January and June. Academic entry requirements: You will need to take a Foundation course if you have fewer than 13-years of schooling with a high school diploma, or school leaving certificate.

Minimum English language requirements: IELTS 4.5, with a minimum of 4.0 in all skills or equivalent.

We also offer Subject-Specific Foundations in Built Environment, Computing, Engineering and Art and Design to allow students to develop specialist skills.

FOUNDATION

Our International Foundation Pathways will help you meet the entry requirements for undergraduate courses including Business and Management, Computing, Multimedia and Sound Technology, Hospitality Management, Humanities, Law, Publishing and Communication, and Social Sciences. Our foundations improve subject knowledge, English language skills and enhance academic experience. We offer flexible learning options depending on your current English language skills. You can also select modules to suit your planned degree or other interests.

After successful completion of this foundation, there is no requirement to take an external English language test before you progress onto your undergraduate study path.

Our foundation courses can also be taken as an integral part of a degree programme. One application and one student visa will cover your whole study period.

Start dates: September and January.

Minimum English language requirements: IELTS 4.5, with 4.0 in all skills or equivalent.
