

Self register in WebCT

Where to Self-register a course in WebCT?

1. From the Brookes homepage, click Brookes Virtual which takes you to the WebCT log in page. (<https://webct.brookes.ac.uk/webct/public/home.pl>)
2. Scroll to the bottom of this page, click the 'self-register' link.

3. From the following screen select View by category, and from the dropdown box select the appropriate category e.g. School of Health and Social Care, click Update.

3. Courses which allow self-registration have this  icon in the right hand column. Click on the icon.
4. On the following screen click **Log in to** myWebCT.
5. Log in using your WebCT ID (student or staff number) and normal portal password.
6. You should now be able to access the course that you have registered for by clicking the 'Go to course' button.

The screenshot shows the myWebCT interface. At the top left is the WebCT logo and the text 'myWebCT'. Below this, it says 'Welcome, Irmgard Huppe' and 'Course Added'. A message follows: 'You have successfully added the course Using the Library as an Education Student to myWebCT.' At the bottom of the message area, there are three buttons: 'Add another course', 'Go to course', and 'Return to myWebCT'.
