Deadline: Your completed application must be submitted by email to ocsld@brookes.ac.uk, by 31 May 2019 at noon.

Brookes Teaching Excellence Fellowships give recognition for work already done to impact positively on an aspect of the Brookes’ Student Experience. Fellowships are awarded against the following criteria:

Criterion 1: Individual excellence.
Evidence of effective work to enhance students’ outcomes or experiences at Oxford Brookes, demonstrating impact commensurate with the applicant’s role and the opportunities afforded by it. Reviewers will be looking for evidence of reach, value and impact to be demonstrated in the evidence presented.

Criterion 2: Raising the profile of excellence.
Evidence of supporting colleagues and influencing support for student learning or teaching, demonstrating impact and engagement beyond the applicant’s home department or context. Reviewers will be looking for evidence of reach, value and impact to be demonstrated in the evidence presented.

NTFS Criterion 3: Developing excellence.
Evidence of the applicant’s commitment to ongoing professional development in relation to learning and teaching, including an action plan for future undertakings.

Each of these three award criteria above is given equal consideration in the assessment process and weighted equally in the overall score.
