WHAT YOU NEED TO KNOW BEFORE YOUR EXAMINATION

EXAMS AND RAMADAN

- Ramadan occurs during part or all of the Semester 2 and GDL Term 3 exam periods from 2018 until 2021.
- All students who will be observing Ramadan must register via the Examinations website before the end of week 3 in Semester 2 using the Religious Observance application form.
- We will attempt to timetable your examinations on non-Ramadan dates or in the morning exam session on Ramadan dates but we cannot timetable outside of the published examination dates.
- We may need to ask you to stay under supervision until 14:30 for some morning examinations.
- If you need any different timetable adjustments or additional arrangements such as prayer breaks then you must detail your requirements on the form.
- All applications must be supported by an official letter on headed paper from your Imam or Muslim Leader.
- Please note that fasting is not considered to be grounds for mitigating circumstances for an examination.
