

# Quaker Meeting for Worship

*Tuesday 6<sup>th</sup> June & 11<sup>th</sup> July, 1.00pm,  
Multifaith Chaplaincy Garden Room (BCK.G.20)*

Join us for a Quaker Meeting for Worship once a month in the Garden Room. We spend 30-45 minutes in quiet reflection.

At a Quaker Meeting, we try to be quiet in body, mind and spirit. We don't worship on our own. We look for a sense of connection with those around us, with our deepest selves, with God. Our worship may take us to a deep place, beyond our own thoughts and ideas and help us respond more creatively to our lives and the world around us.

**All are welcome, whoever and whatever you perceive God to be.**
