SHOPPING AND DISCOUNTS

There are various areas of the city that you can shop in. These include the city centre, Temple Cowley shopping area, Cowley Road and Headington. Pick up a free map at the International Student Meeting Point.

Food

Most people buy food for cooking at home from a supermarket. You can either go in person or buy online and have it delivered. Popular cheaper supermarkets are Tesco, Asda, Lidl, Iceland. Others e.g. Waitrose, the Co-op and Sainsburys may be convenient depending on where you live. We run shopping tours in arrivals weekend but if you arrive later, students you live with will tell you where your local supermarket is.

The Cowley Road has shops and restaurants selling food from around the world and halal products. We recommend walking along the Cowley Road from the Cape of Good Hope pub at St Clements to explore these options when you first arrive. Headington is the closest shopping area to the University and the map on page 20-21 shows the shops available here.

If you are new to cooking for yourself and want some fun tips on cooking and eating healthily, visit www.studentcooking.tv.

Household Goods

You may need to buy things for your room or house. If you are living in a hall of residence, your bedding and cooking utensils are not included but you can buy kitchen packs, bedding packs and adapters from the halls or residence or locally when you arrive. In the city centre, shops such as Argos or Debenhams stock these. You can order them before you arrive and go and collect them once you are here. In Temple Cowley, shops such as Wilkinsons and Asda will sell these things. There are shops such as Poundland, where most things cost £1, which may have household goods.
Mobile Phones

Most international students use a pay as you go or SIM only card. Mobile phone companies will give these free when you top up with credit for your phone eg O2, 3, EE or Vodafone. Giff gaff and other online only companies can be good value www.giffgaff.com.
You can check prices at www.moneysupermarket.com/mobile-phones.
Or compare different providers at Carphone Warehouse www.carphonewarehouse.com.
Talk to our International Student Helpers about what they would recommend.

Charity Shops

There are some charity shops in Headington which sell second hand clothes, shoes, furniture and lots of things you might want for a new house. These have been donated by people who can no longer use them.

You can also find second hand things on:
www.gumtree.com/oxford
www.dailyinfo.co.uk/free
uk.freecycle.org/

For a list of shops in Oxford go to www.oxfordcityguide.com/shops-in-oxford.

Discounts

You can choose to buy a National Union of Student (NUS) Extra card which will give you student a discount at lots of places eg restaurants, cinema, travel www.nus.org.uk/en/nus-extra. You can also choose to add on International Student Identity card (ISIC) to also include international discounts www.nus.org.uk/en/nus-extra/international-discounts.

All students at Brookes are entitled to a BROOKESkey. This is a free card. You can use it for discounted tickets to London, Heathrow and Gatwick and £1 trips on local buses if you pay for your bus journeys. Those students who are living in halls are entitled to free travel on Brookes buses using their card.

Railcard – if you plan to travel around the UK on the train, you can get discounted train tickets by buying a 16-25 railcard or Two Together railcard. www.railcard.co.uk
REGISTERING WITH THE POLICE (TIER 4 STUDENTS)

Registering with the Police for the first time

Some nationalities who have a Tier 4 visa need to register with the police. This should be written on your vignette, BRP or the letter you received from the UKVI.

You need to fill out an online form, then book an appointment to show your documents and collect your certificate. Information and the link to the online form are available at:

www.brookes.ac.uk/students/isat/visas/police-registration/

You must take the following documents to your appointment.

- Valid passport and visa
- £34.00 in cash
- Attendance letter (you can get this from Student Central)
- Proof of address (Tenancy Agreement or Oxford Brookes Licence to Occupy)

Updating your Police Registration Certificate

You must also update your Police Registration Certificate every time you change your address, get a new visa, passport or BRP card or change any anything listed on the back of your certificate. To do this, update your details online and book an appointment. You will need to take evidence of your change (eg your new visa or evidence of your new address) to the appointment. You will also need to take your passport, visa and police registration certificate.
SAFETY

Oxford is usually a safe place but here are a few tips:

- In an emergency, call 999 for police, fire or ambulance help 24 hours a day.
- The non-emergency number for the police is 101 and for medical advice it is 111.
- We have 2 Police Community Safety Officers (PCSOs) at Brookes. You can always speak to them about any issues around safety.
- If you are carrying valuables eg phones, laptops, money, keep them out of sight.
- Do not carry large amounts of cash with you, take only what you need.
- Try to walk with someone else when it is dark.
- Book a taxi in advance rather than getting one on the street. One taxi firm in Oxford is Royal Cars 01865 777 333.
- Keep your BPR card with your passport, not in your wallet. If you lose it, it can take up to 8 weeks to replace.
- Keep copies of your passport, BRP and bank cards in case you lose them.
- If you feel uncomfortable about something someone has said or done about your race, gender, religion or sexual orientation, you can report it here: https://www.brookes.ac.uk/students/report-and-support/

OPENING A UK BANK ACCOUNT

Oxford Brookes has one bank on campus (Santander) and others within a 20 minute walk of the campus listed on the next page. These bank accounts generally take 2-3 weeks to open and you can only open them once you have completed face-to-face enrolment and you have an attendance certificate with your local address on. You can get this from Student Central. To open an account, visit the bank (see map on page 20-21) to make an appointment.

We are aware of an online banking company called Unizest [www.unizest.co.uk](http://www.unizest.co.uk). They don’t have a branch you can go into but you can open an Aspire bank account before you leave home and deposit money ready for when you arrive. We haven’t got direct experience but they have a helpful customer services team at [info@unizest.co.uk](mailto:info@unizest.co.uk) and other universities recommend them. You would need to check they are right for you.

Talk to the banks and choose the best one for you. If you received regular payments from abroad, it may be best to choose an account that doesn’t charge for international transfers. Make sure you are aware of any other bank charges.

UK banks do not usually allow overdraft loans to international students, and so some banks will send you text warnings if your money is running out.

Things to Remember

- Always tell your bank if you change your address. If you don’t, your bank statements may get lost or returned to the bank, and they may then close your account.

Finding things to do in Oxford

Oxford is a historic city with fantastic museums and architecture. It has theatres, cinemas, clubs and live music venues as well as lovely parks to explore and relax in. There are lots of places to eat and drink, with food from around the world.

We publish some of these on our website at www.brookes.ac.uk/students/isat/social/events

www.dailyinfo.co.uk

Experience UK family life
You can spend a weekend in a host family home. This gives you the chance to experience British home life, share your own culture and practice your English. You will just need to pay transport costs to and from the host and take spending money. See ISAT social webpages.

Being polite in the UK
➤ Most people shake hands when they are first introduced but as you get to know them better they may greet you with a kiss on the cheek or a hug.
➤ Being late is seen as bad manners in the UK. Aim to arrive five minutes early for classes so there is time to sit down before they begin. If you are going to be late for an appointment, let the person you are meeting know. You can be a little late if you are going to someone’s house for a party or dinner.
➤ You will often hear the words ‘excuse me’, ‘please’, ‘thank you’ and ‘sorry’ and it’s good to use them yourself.
➤ People like a lot of space around them so don’t stand too close to them.
➤ Try not to ask personal questions, for example, about age, their salary, religious beliefs or politics until you know them very well.
➤ We queue (stand in line) for everything here; for buses, to pay in shops, for toilets and sometimes even to enter class. People will be annoyed at you if you do not wait in the queue. If someone is there before you, let them go first. If you forget to queue, just apologise.
➤ The British sense of humour can be ironic and confusing. Don’t worry. As you get to know the people better, you will start understanding the jokes. If you are not sure, just ask.
➤ Some people, clubs and societies meet in pubs (public houses). All pubs serve non-alcoholic drinks so you don’t need to drink alcohol. It is legal to drink alcohol if you are 18 years old. Alternatively, people meet in the many cafés in Oxford.
➤ We only usually tip when you receive table service for example in cafes, pubs, or restaurants. Tipping is normally around 10%.
SUPPORT WHILE YOU ARE HERE

There are lots of staff on campus who are here to help. Ideally, it is best to speak to someone before an issue gets too difficult so it can be easier to manage.

International Student Advice Team (ISAT)
See back cover for contact details
ISAT offers information and advice on issues such as immigration, employment, financial difficulties and general academic matters. We’re a good place to start if you’re not sure who to ask. You can find us in Student Central, JHBB and we run a drop in from Monday to Friday, 10:00-12:00 and 13:00-15:00.

Student Support Co-ordinators (SSCs)
Each faculty has a network of Student Support Co-ordinators (SSCs) at Brookes to support you during your time here so help is never far away. They can help with any problem or issue you may face during your time at University. They want to make sure you get the most out of your experience here at Oxford Brookes and that nothing gets in the way. www.brookes.ac.uk/students/support-services/ssc

Exchanges & Study Abroad Team
All exchanges and study abroad students should meet the team for support while you are here. They are based in the International Centre.

Research Degrees Team
The Research Degrees Team offers general guidance for prospective research degree candidates and also provides all the central support and advice for current students enrolled on one of the University’s research degree programmes. The Team are located in Student Central in the John Henry Brookes Building and are available between 9:00 - 16.30, Monday – Friday throughout the year. If you have any queries or need advice about your programme please contact them:
email: rd-enquiries@brookes.ac.uk or t: +44 (0)1865 484244

Religious activities
The multi-faith Chaplaincy offers support, friendship, hospitality and information, including details of churches, mosques, temples and other faith communities in Oxford. Regular Christian services are held in the Multifaith Chaplaincy Rooms in the Buckley Building and in the Catholic Chaplaincy, Headington campus and in the chapel on Harcourt Hill Campus. Friday Prayer is said in Headington every Friday. The Chaplains run discussion groups, meditation, and more, and all activities are open to people of all faiths and none.

There are dedicated prayer and quiet rooms on each campus. The University has a team of Christian, Jewish, and Muslim Chaplains and benefits from good relationships with other local faith communities.

www.brookes.ac.uk/students/wellbeing/chaplaincy

Wellbeing support
If you have a disability (including a medical or mental health condition), dyslexia or a specific learning difficulty, contact Wellbeing. www.brookes.ac.uk/students/wellbeing/

Financial difficulties
Although students are expected to have enough money to pay their fees and support themselves, we know they can sometimes have unexpected problems with money for a variety of reasons. It is very important to talk to someone as soon as possible, and to let the Student Finance Team know if this is going to affect your fee payments. Students may be able to apply for Financial Aid www.brookes.ac.uk/studying-at-brookes/finance/financial-aid/

Careers
If you are looking for work while you are here our careers department can advise you what UK employers are looking for and how to write your CV. ISAT can advise you how many hours you can work depending on your visa. www.brookes.ac.uk/students/careers

Brookes’ Union Advice
The Union can offer advice on a range of issues including finances, housing, studies, or health and wellbeing. www.brookesunion.org.uk/advice.

Someone to talk to privately
The Counselling Service offers you the opportunity to discuss anything important to you or troubling you in confidence. This could be fear of failure, bereavement, homesickness, relationship problems or depression. www.brookes.ac.uk/students/wellbeing/counselling
**Medical**

Most students have access to the National Health Service including seeing General Practitioner (GP) doctors for non-emergency appointments or the hospital for emergencies. To access this, you will need to register with a doctors’ surgery. Brookes has a Medical centre on campus and you can register online before you arrive at [www.brookes.ac.uk/new-students/before-you-arrive/registering-with-the-doctor/](http://www.brookes.ac.uk/new-students/before-you-arrive/registering-with-the-doctor/)

If you are being treated for a long-term medical condition, register as soon as possible and make an appointment to see your new doctor. Take your home doctor’s name and address, copies of your previous medical records and a list of any of your medicines when you go to the appointment.

**Dental**

Dental work is subsidised by the NHS but there is a charge each time you use the service. Studental is our dental clinic in the Colonnade Building in Headington Campus. You do not need to register with the clinic until you go for your first appointment [www.studental.co.uk](http://www.studental.co.uk).

---

**Your name while you are in the UK**

If your language is written in a different way from English, then you may be confused about how to write your name, so follow these tips:

- Always write your name in the same way (spelling and order) – as it is printed in your passport.
- When you do your face-to-face enrolment, check that your name is in full in the way you want it to appear on your certificate/diploma, and make it clear which name you want us to use as your surname.
- If your country does not use first name and surname (family name), decide in advance which part of your name you will use as your surname and always use it in the same way.
STUDYING AT UNIVERSITY

In the UK students often work independently which may be different than in your own country. Your Brookes tutors will expect you to develop a critical approach to your studies, analysing what you read, and offering your own arguments based on a wide range of evidence.

Plagiarism, which means presenting someone else’s work as your own, is strictly forbidden and can lead to failing your course. When using information from books, and other sources, write it in your own words or put it in quotation marks and reference the original book or article. Ask your tutor or Academic Adviser if you do not know how to reference your work. To do well you will need to compare different books and articles that you have read, commenting on whether their arguments make sense and making judgements about the quality of their evidence.

Successful students do not claim to know all the answers, but they do ask the right questions.

Most courses include lectures, seminars, tutorials, practical work, independent study and assessments.

A lecture is a large class, sometimes with over 100 students that lasts around one hour. The lecturer will give a general overview of a topic and you will need to take notes. If you don’t understand anything you can ask your tutor later.

A seminar is a class of up to 15 students. The tutor will give you the topic in advance and you may need to read about it or prepare a short presentation to discuss in the seminar. The aim of the seminar is to analyse the topic through debate. Your tutors will encourage you, so don’t be afraid to speak out and challenge others and offer your own ideas.

Your tutor or Academic Adviser will have regular office hour where you can go to ask them questions one-to-one. This is an opportunity to discuss how your work is going and any problems you are having with the topic or with studying in general. Independent study will help you learn skills such as research, critical analysis and problem solving, which will help you develop your own ideas and confidence.
