A GENERAL RULES

1. These Terms and Conditions apply at all times and take priority over anything that a member of our team has told you. These Terms and Conditions replace any previous versions and the term “Terms and Conditions” used here means the latest version in force unless the context requires use of the version in force at the relevant time. From time to time we may amend any part of or replace these Terms and Conditions entirely because of changes in relevant laws and regulatory requirements, or to reflect changes in the way we operate. If we revise these Terms and Conditions as they apply to you, we will give reasonable advance notice of the changes. In the event, if you are unhappy with any changes or amendments to the Terms and Conditions, we will provide guidance around any cancellations procedures.
