WELCOMING STUDENTS FROM NORWAY

Students from Norway have been coming to Oxford Brookes for many years and we currently have 128 Norwegian students enrolled at the University.

WHY CHOOSE OXFORD BROOKES?

1. Oxford is a great place to be a student.
2. Our strong reputation for outstanding teaching quality.
3. Work placement opportunities to build your career.
4. Award winning, modern teaching and learning facilities.
5. English language and pathway courses taught on our main campus by university lecturers.
6. Opportunities to start your undergraduate degree in the 2nd or 3rd year.
7. Both September and January start dates available for some courses.

“The best thing is probably all the different topics that you learn about within one subject. You get a lot of information through the first year, in the history of the subject and then it all builds up so that when you come to the third year you are really well-prepared to write the dissertation.”

Aina Moller, Norway, BSc Psychology
