Making the most of your day

Make your day personal. Our Open Day is your chance to find out what it’s like to be a student at Oxford Brookes. Here are our top 10 tips for making the most of your day.

1. **Attend a subject-specific talk.**
   Find out more about the course you’re interested in. Hear from academics and find out whether the course is right for you.

2. **Attend our general talks.**
   Learn more about student life, Brookes Sport and our study abroad options. There are also practical talks on admissions, accommodation and finance. Choose the talks that suit you.

3. **Ask questions.**
   Don’t be afraid to ask questions. Whether it’s about student life, course modules or your career prospects. You need to be sure that you choose the right course for you.

4. **Take a campus tour.**
   Get a feel for the place and see what our campuses have to offer.

5. **Have a look at our halls.**
   Tour our accommodation and see where you could live.

6. **Talk to people.**
   Chat to current students, academics or staff. Ask them as many questions as you like to get a real feel for what it’s like to study at Oxford Brookes.

7. **Visit our central service stands (including accommodation, admissions, finance, wellbeing).**
   Don’t worry if you miss one of our general talks, you can visit our central service stands and talk to the staff.

8. **Check out our clubs and societies.**
   There is more to university life than just studying. Find our more about our exciting clubs and societies from Brookes Union, who will be based in Union Square (Headington Campus).

9. **Take photos.**
   It’s likely you’ll be taking in a lot of information, so why not take some photos to help remind you of the day?

10. **Explore the city centre.**
    Oxford is a beautiful student city bursting with lots of things to do and see. Make time to jump on the BROOKESbus and travel into the city centre. Show the driver your booking and receive free travel for you and your guests. For ideas of what to see and do, see pages 22 and 23.

**Don’t forget.**
Our Student Ambassadors (in pink/ green shirts) and staff (in yellow shirts) will be on hand to help you get to your sessions.
