**Practice Supervision and Assessment: Support and Communication Pathways**

**Nominated practice support:**
This role is normally undertaken by the Link lecturer/s (or equivalent)

**Academic Assessor (Confirmation of Summative Assessment)**

The Academic Assessor will be normally a member of the university programme team who will collate and confirm achievement of proficiencies at each part of the programme and prior to entry to the register.

The Academic Assessor for an individual student will not undertake this role in consecutive parts of the programme.

There will be partnership working between the Academic Assessor and the Practice Assessor when confirming practice assessment outcome in relation to student progression.

---
