1. Are you an Oxford BROOKES
University student living in a
Halls of Residence, booked
through the University?
YES

You **ARE** eligible for the extra Inclusive Travel Pass on your BROOKESkey.

NO

The Inclusive Travel
Pass allows for free
travel on
BROOKESbuses only.

2. Are you studying a full time course, lasting 1 year or more?

YES

YES

3. Are you studying either an Oxford Brookes:

- Undergraduate course
- PGCE (Post Graduate Certificate in Education)
- MArch (Masters in Architecture)
- MArchD (Masters in Architecture Design)

NO

You **ARE NOT** eligible for the extra Inclusive Travel Pass.

However, all staff and students can apply for a BROOKESkey.

The BROOKESbuses are a public bus service and students and staff can receive discounted travel on this and other buses.

Inclusive Travel Passes will last for one academic year.

Depending on individual student circumstances, students may not be eligible for the pass for the full duration of their course.

Do you have a current BROOKESkey, registered to your current University email address and Brookes number?

All Oxford Brookes University staff and students can apply for a BROOKESkey at **brookes.oxfordkey.co.uk**

If you are eligible for the Inclusive Travel Pass, it will be remotely loaded onto your BROOKESkey.

BROOKESkey Information - brookes.oxfordkey.co.uk

- BROOKESKeys are created by Oxford Bus Company and are sent to Transport Services for distribution.
- To help with travel around Oxford, the BROOKESkey allows account holders to purchase discounted travel products on local Oxford buses and coaches to London.
 - Just log into your account at: brookes.oxfordkey.co.uk
- Lost or damaged BROOKESkeys can be replaced at an Oxford Bus Company Travel shop in Oxford city centre.

 Please take your valid University ID card to verify University status.
- New students eligible for the inclusive travel pass, can collect a temporary card, from their halls reception. Eligible Students not living in halls, can visit Transport Services for a temporary card.
