

Frequently asked questions

What is happening to the BSc Applied Accounting?

Oxford Brookes Business School (OBBS) will not offer the BSc Applied Accounting after May 2026. We are now in the final year of the programme and there are only two opportunities to submit a Research and Analysis Project, November 2025 and May 2026.

Why has OBU closed the programme?

Oxford Brookes Business School (OBBS) has undertaken a strategic review of the higher education landscape and its programmes. The final opportunity to submit a Research and Analysis Project is May 2026.

I joined ACCA because of the BSc Applied Accounting. Can I still participate?

In order to participate in the BSc Applied Accounting, you need to submit a Research and Analysis Project (RAP) by May 2026. This is the last opportunity for a first attempt at the RAP.

When you submit a RAP you must meet the eligibility criteria.

What are the eligibility criteria (entry requirements) for the programme?

In order to be eligible to submit a Research and Analysis Project you will need to:

- Have passed the three ACCA Applied Skills examinations Financial Reporting (was F7), Audit and Assurance (was F8) and Financial Management (was F9)
- Have passed, or gained exemption from, the other six papers at the Knowledge Level and Skills Level. Note that conditional exemptions do not qualify you to submit the RAP.
- Have completed the ACCA Ethics and Professional Skills module (or the previous Professional Ethics module)
- Be up-to-date with the payment of your ACCA subscription fees.

Demonstrate currency of knowledge by either:

- passing your RAP within 10 years of the earliest of: the date of your first ACCA examination pass, *or* the date of your first ACCA exemption being granted
- or
- if you have passed 3 ACCA (Applied Skills or Strategic Professional) examinations in the 5 year period before submission of your RAP.
- or
- being a full member of ACCA of good standing (have returned a CPD record) and who have taken their ACCA papers or received exemptions under the ACCA syllabuses in place after 2000.

What if I can't meet these eligibility criteria in time to submit in May 2026?

If you are unable to meet the eligibility criteria, you cannot submit a RAP.

What if I have previously submitted a RAP and failed?

You only have three attempts at the RAP. The final opportunity to resubmit will be May 2026. If you are unsuccessful in May 2026, there will be one further opportunity to resubmit in the period September - December 2026.

What happens if I fail when I submit in May 2026?

If the May 2026 submission was your first or second attempt, you will be offered additional support and a resubmission opportunity later in that year. This window is only available to students who submitted and failed in May 2026. No other student submissions will be accepted.

The programme will close by the end of 2026.

What if I have been referred to an Academic Conduct Officer?

The ACO will contact you to ask you about your RAP submission. It is important you respond to the ACO in a timely manner. Once the investigation is complete, you will be either exonerated or you will receive a penalty.

If you are exonerated, your original mark stands. This means you may have passed or failed the RAP. If you have failed, you may want to resubmit and you need to do this by May 2026.

If you have received a penalty, you will be required to resubmit, following the guidance of the ACO. This resubmission needs to be made by May 2026.

Do I still need to work with a mentor?

Yes. There are no changes to the requirements of the Research and Analysis Project. Information Pack is available [here](#)

What support is available to help me prepare the RAP?

The programme team have created a range of [YouTube videos](#) to support you when preparing a RAP. These are regularly updated.

What if I have exceptional circumstances?

The exceptional circumstances policy remains in place for all submission windows. This offers students an extension of up to three weeks. More information can be found in the Information Pack.

Will my degree be still valid?

Yes, the award of the BSc Applied Accounting remains valid once the programme has closed.

Will I be able to get copies of documents certified?

Yes, Oxford Brookes University will still provide services, such as certified transcripts, to graduates of the programme. Details will be available on the Oxford Brookes University webpages.

Will you reduce the submission fee?

The fee will not be reduced. The fee is set for each academic year and the current submission fee can be found in the Information Pack.

Will graduates still be invited to graduation ceremonies?

Yes, all graduates of the programme will be offered the opportunity to attend a graduation ceremony.
