

IT'S TIME TO ACHIEVE

Law at Oxford Brookes University

#ThisIsBrookes

Welcome from the School of Law and Social Sciences

Last year I had the privilege of travelling to Malaysia and meeting many Law staff and students during my time in Kuala Lumpur. It was an unforgettable experience and delivering a guest lecture on Criminal Law was one of my highlights. I believe that Oxford Brookes has a lot to offer if you wish to complete your legal degree in the United Kingdom, only one hour away from London.

Here at Brookes, we are a modern university in a historic city. We pride ourselves on providing a welcoming, supportive, and international academic environment where all students are able to achieve their potential. We'll help you meet your goals, expand your skills and achieve things you didn't know you could do.

Dr Alex Powell
Law Programme Lead

Like Alex, I also was lucky enough to travel to Malaysia last year to attend the joyous Graduation ceremony for our law students at the fantastic Brickfields campus. It was such a pleasure to celebrate with our graduates and their families.

As PVC Dean of the Faculty of Humanities and Social Sciences, I very much look forward to welcoming you to our own lovely campus here at Oxford Brookes. I know that you will have a wonderful and successful time here. You will benefit from the support of our great colleagues in the Law team and have access to tremendous facilities and opportunities. I really do believe that you will enjoy everything our University and our city has to offer.

Pro Vice-Chancellor and
Dean of Faculty

“Every event I’ve been to has been amazing, the law fairs helped me decide what to do.

Oxford Brookes really reaches out to its students. And Oxford is such a great town – people are so friendly.”

ALENA (BRICKFIELDS LLB LAW)

“The lecturers on my law course were really helpful. They went beyond what was expected, and they made my time here even more interesting.

Two years ago, I started volunteering in the local MP Anneliese Dodds’ office, and now I work there one day a week. If I hadn’t studied at Brookes, I wouldn’t have been able to do this”

ADAM (BRICKFIELDS LLB LAW AND MA INTERNATIONAL RELATIONS)
