

Technician Commitment – to help technical staff to identify their strengths and development areas.

The Technician Commitment is a university and research institution initiative which aims to ensure visibility, recognition, career development and sustainability for technicians working in higher education and research, across all disciplines.

VISIBILITY

Ensure that all technicians within the organisation are identifiable and that the contribution of technicians is visible within and beyond the institution.

RECOGNITION

Support technicians to gain recognition through professional registration

**CAREER
DEVELOPMENT**

Enable career progression opportunities for technicians through the provision of clear, documented career pathways.

SUSTAINABILITY

Ensure the future sustainability of technical skills across the organisation and that technical expertise is fully utilised.
